

ALPHABET ORGANIZER

Create Your Own Alphabet
Cards

USING ALPHABET ORGANIZER

STEP ONE

Launch Alphabet Organizer and create or select a user.

STEP TWO

Give your project a name.

STEP THREE

Select the type of card you want to make - a list or a full card.

STEP FOUR

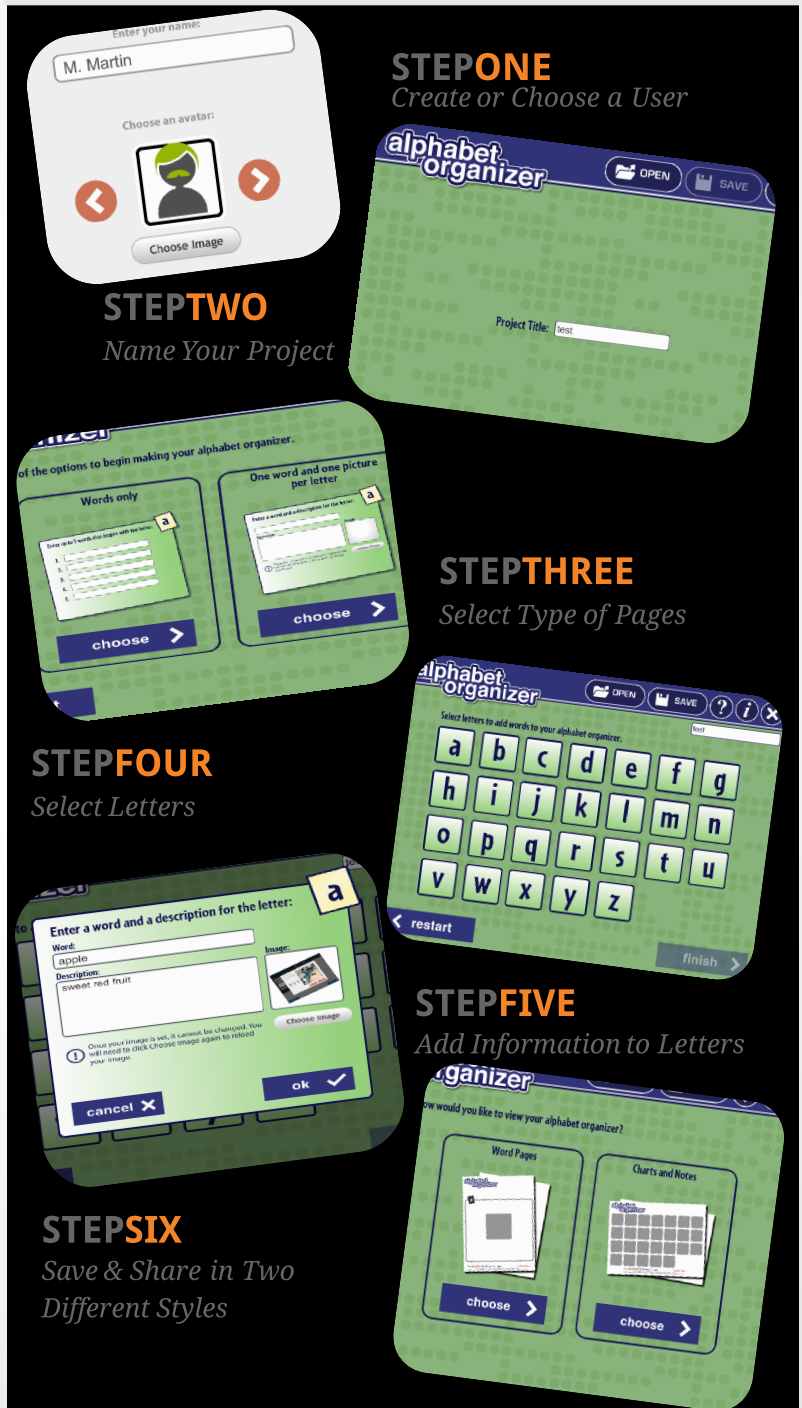

Select letters one at a time to add to your collection.

STEP FIVE

Add text and images for your letter.

STEP SIX

Save or share your project in one of two ways. Saved projects go to your Camera Roll. Save as a draft to edit later.

STEP ONE
Create or Choose a User

STEP TWO
Name Your Project

STEP THREE
Select Type of Pages

STEP FOUR
Select Letters

STEP FIVE
Add Information to Letters

STEP SIX
*Save & Share in Two
Different Styles*

CREATED BY MEREDITH MARTIN @GEEKYTEACH

Check out the different options in this app. This is a great way for younger students to review the alphabet. Finished projects can be embedded in documents for printing, or embedded on websites.
