

DIAMANTE POEMS ✨

Quick and Easy Diamante Poem Creator

USING DIAMANTE POEMS

STEP ONE

Launch Diamante Poems and either select or create a user.

STEP TWO

Read the description and give your poem a title.

STEP THREE

You can view the samples to see examples of completed diamante poems.

STEP FOUR

Choose your beginning and ending words.

STEP FIVE

Complete the rest of the poem using the guides in the app.

STEP SIX

Save or share your final project. Projects save to camera roll.

CREATED BY MEREDITH MARTIN @GEEKYTEACH

Diamante Poems is a great app for easy poem creation. Finished projects can be saved to the camera roll to be printed or embedded in websites.
