

DRAWING FOR KIDS ✨

Step By Step Drawing Lessons

USING DRAWING FOR KIDS

STEP ONE

Launch Drawing For Kids and choose a drawing to practice.

STEP TWO

Use the arrow buttons to step through directions. Draw with your finger.

STEP THREE

Click the rocket button to turn on tracing.

STEP FOUR

New steps will be shown in red.

STEP FIVE

Tap the colored fish on the main menu to access the paint tools.

STEP SIX

Color in your line drawings and save to camera roll.

STEP ONE

Choose Drawing

STEP TWO

Follow Step By Step Directions

STEP THREE

Click Rocket To Turn On Tracing Guides

STEP FOUR

New Steps Shown In Red

STEP FIVE

Colored Fish Opens Paint Tools

STEP SIX

Color Your Drawings

This is a great app for young artists. The simple shapes and steps are easy to follow, and the tracing tool allows for differentiation.
